Built-In Caller ID – Every handset includes Caller ID at no extra charge. So you'll see the number of the person who is calling you before you answer. If you choose not to answer, the caller can leave you a message on a page.

Free Minute for Incoming Calls – The first minute of incoming calls is free, so you can give out your number and not worry about paying for calls you don't want to receive.

Great Rates on Sprint Long Distance – With Sprint Spectrum you get your choice of two great Sprint long-distance plans. Just tell Customer Care when you sign up for service whether you'd prefer Sprint Sense™, which gives you 22¢ per minute peak and 10¢ per minute off-peak, or "flat rate" pricing of 15¢ per minute, anytime – day or night.

Choose Your Number – In order to make your number easy to remember, Customer Care will try to match the last four digits of your number to those of your choice when you call to activate (subject to availability).

Detailed Billing – Each invoice you receive is easy to read and will give you full detail of all call activity for the month.
